Respiratory protective devices - Filtering half masks to protect against particles - Requirements, testing, marking

Issue date: 2020-07-30

Revision date: 2020-07-30

Expiry date: 2021-07-29

The product(s) on this certificate and the Technical File have been assessed and found to be in conformance with the applicable Essential Health and Safety Requirements in Annex II of the PPE regulation 2016/425.

Any changes to the design, manufacturing location or manufacturer of the PPE product and/or here must be advised to CCQS Certification Services Limited for approval. CE marking shall not be applied until the requirements of all the PPE Regulation 2016/425 and relevant EN Harmonised standards and/or Technical specifications have been met. If the certified product is Category III then this certificate is only valid in conjunction with Conformity Assessment against Module C2 of Module D. This certificate remains the property of CCQS and may be withdrawn at any time if it is considered that the equipment is no longer in conformity with the requirements of the PPE Regulation 2016/425.

Approved by Irish Government as a Notified Body for CE Marking No.2634

Approved by CCQS Ireland Owen Blah Director
